

REMARKS

Two clerical errors have been discovered in the drawings. In fig. 4 block 45, the name "Chase" should be the word --lessor's--. This correction is supported in the specification at page 13, lines 7-8. And, in fig. 13, the phrase "known number of used car sales for a given period" was accidentally repeated twice. Please remove the second redundant instance of the phrase as indicated in red. The proposed changes to the fig. 4 and fig. 13 drawings are attached for the Examiner's approval. No new matter is added by these corrections.

Respectfully submitted,
